

## **GRACE LUI**

Grace Lui is currently a Senior Development Manager at Carma Developers, with 13 years of combined experience in planning and land development. She has worked as a private planning consultant and a public planner, and has land development experience in both private and public sectors.

She has served with the Federation of Calgary Communities on their Board of Directors, Urban Planning and Communications committees and with UDI on their Planning Committee. More recently she has served on the joint CHBA/UDI Industry Champions Committee dealing with Plan It, and is currently on the Plan It Implementation Committee. Grace's public sector planning work includes the City of Richmond and the Town of Chestermere. Prior to joining Carma, she worked as a private development consultant, and also worked at the City of Calgary doing public land development on industrial and Transit-oriented development (TOD) projects.
