

David McDougall
President, MLC Land Company Inc.
Residential Land Development Company

Dave has been actively involved in the Edmonton Land Development Industry for over thirty years.

In the early 1970's Dave was involved in the startup of Carma Developers Edmonton Operations. In 1976 he was instrumental in the commencement of a new builder consortium, Consor Builders and acted as the Managing Director.

Dave served as a consultant in both Edmonton and Phoenix in the mid 1980's and in 1988 he went on to hold the position of Vice President, Edmonton Land Development Division for United Inc. His career with United brought the development of numerous neighborhoods in Edmonton and Calgary.

In 2001 Dave started MLC Land Company Inc. and was involved in the development and completion of the Southbrook, MacEwan, MacEwan West, Ellerslie Crossing and The Ponds at Ellerslie Heights subdivisions in Edmonton.

Dave is active in the development of the current South Terwillegar, Mactaggart Ridge, Citadel at Magrath, 7 Oaks at Callaghan, Walker Lakes Station and the Windermere neighbourhood which are all located in South East and South West Edmonton. As well as the SouthPointe neighbourhood in Fort Saskatchewan and the Saddlebrook neighbourhood in North East Calgary.

Dave served as a member and past Chairman for the Urban Development Institute, Edmonton Chapter and as a past Director for the Greater Edmonton Home Builder Association.

Dave is a retired and accredited member of the Appraisal Institute of Canada (P.A.P.P.) and a past fellow in the Real Estate Institute of Canada (F.R.I.)
