

PAUL TAYLOR

Executive Vice President

HOPEWELL RESIDENTIAL COMMUNITIES INC..

Mr. Taylor has been involved with the construction industry since 1983, in varied roles, such as consulting, general contracting, and specifically in land development starting in 1990. He has been directly involved with the creation of over 12,000 residential lots in Calgary. He is a founding team member of Hopewell Residential Communities, which currently holds 4th place in the Calgary Market place. The company has grown from land holdings in the range of a few hundred acres to a where it currently sits with a few thousand acres at different stages of development. Hopewell has received an unprecedented 5 consecutive Developer of the Year awards, as determined by the Calgary Region Home Builders Assoc. and specific awards for projects constructed in Calgary, from marketing based awards to Community of the year awards. He is a member of the Urban Development Institute Calgary chapter as director for 12 years, Chairman for 2 years, and continues to be a director.

He is also a founding member of the Calgary Community Land Trust, which is a group committed to low cost affordable housing for the homeless.
